FOUNDER'S CIRCLE

A MUSIC

GIFT

ABOUT THE FOUNDER'S CIRCLE

The *Founder's Circle* is a newly established group of individual donors who share a commitment to providing broad access to world-class musical performances for one of New York's most diverse audiences.

The *Circle* was designed to provide crucial support to help underwrite *Free for All's* artists fees and venue expenses in order to keep these performances free for the public. As costs to attend performances in the City grow ever higher, more enthusiasts are priced out of the opportunity to experience live music. On average, nearly 5,000 individuals will attend *Free For All's* free programs each year. Your membership will help assure this vital resource can continue, especially at a time when more music lovers will turn to us for musical enrichment.

Members of the *Founder's Circle* are offered an array of attractive benefits designed to recognize their generosity while providing an opportunity to personally engage with *Free For All* artists, Board Members and other *Founder's Circle* Members.

No other free music program in New York presents artists of the caliber that appear on *Free For All's* programs. In its first six years, *Free For All* has presented a roster of highly sought-after artists including:

- Alison Balsom & The Balsom Ensemble
- Manuel Barrueco & Al DiMeola
- Joshua Bell with Simon Mulligan
- Contemporary music ensemble Ethel
- Vladimir Feltsman
- David Finckel & Wu Han
